- A. The Pike County Comprehensive Plan was prepared by the planning commission and adopted by the Board of Commissioners of Pike County. The plan does not legally regulate land uses. It contains a future land use map, which shows suitable areas for various types of land uses. Actual land uses may not necessarily conform to the land use map.
- B. The zoning districts contained on the official map set forth standards with which all new construction and development in Pike County must comply. The application of zoning districts to property located within Pike County is based on land use information contained and shown on the Pike County Future Land Use Map which is a part of the Pike County Comprehensive Plan. Amendment of zoning district boundaries must conform to the Pike County Future Land Use Map.
