 - 5. An accessory building, except for dwellings such as guest quarters and mother-in-law suites, erected on a lot prior to the time of construction of the principal building must be located on lots five (5) acres or more and can be located towards the front of the principal building.
- F. Any similar or compatible use not listed within the permitted uses section will at the discretion of the Zoning Administrator be presented as a special use permit and follow the procedures for a special use permit.

Sec. 504. Development standards for A-R districts.

In addition to the development standards contained in Article 4 of this ordinance, the following standards are required within A-R districts:

A.	<i>Minimum heated floor area per dwelling unit:</i>	One thousand five hundred (1,500) square feet.
B.	Minimum lot area:	Five (5) acres; however, a lot of record lawfully existing at the time of passage of this ordinance and having an area which does not conform to the above standards may nevertheless be developed with a use which is permitted within an A-R district if approved by the Pike County Health Department. New Major Subdivisions: Ten (10) acre minimum per lot
C.	<i>Minimum lot width:</i>	Two hundred (200) feet.
D.	<i>Minimum front-yard setback:</i>	One hundred (100) feet from right-of-way
E.	<i>Minimum side-yard setback:</i>	Thirty (30) feet.
F.	<i>Minimum rear-yard setback:</i>	Thirty (30) feet.
G.	<i>Maximum building height:</i>	Thirty-five (35) feet.
H.	<i>Sewage System:</i>	Septic tank permitted
I.	<i>Water System:</i>	Well or county water

- J. *Minimum frontage width:* Two hundred (200) feet, provided that frontage width shall be reduced to thirty-five (35) feet for lots abutting the turnaround portion of dead-end streets (cul-de-sac).
- K. *Sight distance:* Within thirty (30) feet of the pavement edge, plants cannot be of a type which will exceed a height of thirty (30) inches at maturity and/or a trunk diameter of four (4) inches. There may be some flexibility in regard to the maximum trunk diameter when protected by a guard rail or some other suitable type barrier beyond thirty (30) feet from pavement edge. Almost any type of planted vegetation is permissible.
- L. *Applicability to land and open space:* No building, structure or land may be used or occupied, and no building or structure or part of a building or structure may be erected, constructed, reconstructed, moved, or structurally altered unless in conformity with all of the regulations specified for the district in which it is located.
- M. *Every use must be on a lot:* No building or structure may be erected, or use established unless upon a lot as defined by this ordinance.
- N. *Only one principal building per lot:* Only one (1) principal building and its accessory buildings may be erected on any lot, except for planned developments or as otherwise provided.
- O. *Open space not to be encroached upon:* No open space may be encroached upon or reduced in any manner except in conformity with the yard, setback, off-street parking spaces, and other such required development standards contained in this ordinance. Shrubbery, driveways, retaining walls, fences, curbs, and buffers (see definition in article 2) are not considered to be encroachments of yards. Open space areas as required by this ordinance must be permanently maintained as open space in accordance with the requirements of this ordinance.
- P. *Reduction of yards or lot area:* Except as otherwise provided in this chapter, no lot existing at the time of passage of this chapter may be reduced, divided or changed so as to produce a tract of land which does not comply with the minimum dimension or area requirements of this chapter for the district in which it is located unless that reduction or division is necessary to provide land which is needed and accepted for public use.
- Q. *Lots with multiple frontage:* In the case of a corner lot or double frontage lot, the front yard setback shall be a minimum of one hundred (100) feet. The setback applicable to any other portion of the lot which abuts a street shall be a minimum of fifty (50) feet. For purposes of this section, the front yard setback shall apply to that side of the lot which must comply with the minimum frontage width required in this district.

-
- R. *Landlocked lots*: In case of a landlocked lot (a lot without direct access to a public street or road) lawfully existing as of the effective date of this ordinance, the property owner is entitled to one (1) building permit, as long as all of the following requirements are met:
1. No other principal building exists or is being constructed on the property.
 2. No other valid building permit has been issued prior to the effective date of this ordinance and is currently valid.
 3. The property was and continues to be under single ownership since the effective date of this ordinance.
 4. The property owner has acquired a forty-foot (40') easement to a county, or state-maintained street or road, and the easement has been duly recorded and made a part of the property deed.
 5. In the event the property is divided, no additional permits will be issued.
- S. *Flag (Panhandle) lots*: Flag lot that are a part of a major subdivision, shall not have their access strips abut one another, nor have their access strips be closer than 400 feet apart. Flag lots in major subdivisions shall be limited to a maximum of 20% of the total number of lots. There is no separation requirement or number limitation for flag lots that are part of a minor subdivision/lot division. The minimum road frontage for all flag lots shall be forty (40) feet.
- T. *Yards and other spaces*: No part of a yard, other open space, off-street parking, or loading space required for another building may be included as a part of the yard, off-street parking, or loading space required for another building, except as specifically provided for in this ordinance.
- U. *Substandard lots*: Any lot existing at the time of the adoption of this ordinance, which has an area or a width which is less than required by this ordinance, is subject to the following exceptions and modifications:
1. *Single lots*: When a lot has an area or frontage, which does not conform with the requirements of the district in which it is located, but was a lot at the effective date of this ordinance, such a lot may be used for any use allowed in the zoning district in which it is located as long as all other requirements of this ordinance are met.
- V. *Encroachment on public rights-of-way*: No building, structure, service area, required off-street parking, or loading/unloading facilities are permitted to encroach on public rights-of-way.
- W. *Physical design standards*: Minimum design standards for driveways, loading areas, and other such physical site improvements are contained in applicable development regulations of Pike County. Consult that document for specific requirements.
- X. *Off-street parking and service requirements*: Minimum standards for off-street parking and service requirements are contained in the Pike County Standard for Off-Street Parking (Article 27).
- Y. *Other applicable development regulations*: Information concerning any other applicable development regulations may be obtained by consulting the administrative officer.
- Z. *Signs*: Minimum design and location standards for signs are contained in the Pike County Sign Requirements (Article 25). Consult that article for specific requirements.
-
