§ 91.08 CLASSIFICATIONS AND EUTHANIZATION OF DANGEROUS AND VICIOUS DOGS

There are two (2) distinct processes related to Dangerous and Vicious Dogs, which may proceed concurrently. One process is the prosecution of the owner(s) of dangerous and vicious dog(s) after an event, which is a criminal process and is set forth below; and, the other process is the administrative process of classifying a dog as dangerous and vicious if such classification is disputed by the owner(s) as set forth herein. Pike County follows the standards of the current edition of the State of Georgia's "Responsible Dog Ownership Law" regarding dangerous and vicious dogs.

- (A) Dangerous and Vicious Dog is any dog that:
- 1) Causes a substantial puncture of a person's skin by teeth without causing serious injury; provided, however, that a nip, scratch, or abrasion shall not be sufficient to classify a dog as dangerous under this subparagraph;
 - 2) Aggressively attacks in a manner that causes a person to reasonably believe that the dog posed an imminent threat of serious injury to such person or another person although no such injury occurs; provided, however, that the acts of barking, growling, or showing of teeth by a dog shall not be sufficient to classify a dog as dangerous under this subparagraph, or

- 3) While off the owner's property, kills a pet animal; provided, however, that this subparagraph shall not apply where the death of such pet animal is caused by a dog that is working or training as a hunting dog, herding dog, or predator control dog.
- (B) Vicious Dog is any dog that inflicts serious injury on a person or causes serious injury to a person resulting from reasonable attempts to escape from the dog's attack.
- (C) Initial investigation and classification of dog as dangerous and/or vicious.
- 1) Upon receiving a report that dog(s) is/are believed to be dangerous and/or vicious and are located in the jurisdiction(s) covered by the Pike County Animal Control, the Animal Control Officer shall make such investigations as necessary.
 - 2) If the Animal Control Officer, in their sole discretion based on the facts gathered during the investigation in consideration of the definitions set forth in subparagraph (A) above, determines that a dog constitutes a dangerous dog or vicious dog, the Animal Control Officer shall send a written notice by certified mail to the owner or custodian of the dog(s) within seventy-two (72) hours of the determination that the dog(s) is/are dangerous or vicious. Such notice shall include a summary of the Animal Control Officer's determination and shall state that the owner or custodian has a right to request a hearing from the Authority on the Animal Control Officer's determination within fifteen (15) days after the date shown on the mailed notice. The notice shall also provide a form for requesting the hearing and shall state that if a hearing is not requested within the allotted time, the Animal Control Officer's determination shall become effective for purposes of this Ordinance.
 - a. When owner(s) or custodian(s) of the dog(s) determined by the Animal Control Officer to be dangerous or vicious request(s) a hearing, such hearing is administrative in nature and shall be construed as an appeal of the determination made by the Animal Control Officer that the dog(s) is/are dangerous and vicious.
 - b. When such appeal hearing is requested by the owner custodian of the dog(s) designated by Animal Control Officer as dangerous or vicious, the hearing shall be scheduled within thirty (30) days after the request is received; provided, however, that such hearing may be continued by the Authority (Magistrate Court) for good cause shown. At least ten (10) days prior to the hearing, the Authority shall mail the dog owner or custodian written notice of the date, time, and place of the hearing. At the hearing, the dog owner or custodian shall be given the opportunity to testify and present evidence and the Authority shall receive other evidence and testimony as may be reasonably necessary to sustain, modify, or overrule the Animal Control Officer's determination. If a custodian requests a hearing for a dog under their care, they shall hereafter be considered the "owner" of the subject dog. Failure to acknowledge ownership shall result in the subject dog being classified as a "stray" dog, and shall be processed as provided in 91.08 (4) below.
 - c. Within ten (10) days after the hearing, the Authority shall issue its written determination either upholding the determination of the Animal Control Officer that the dog(s) is/are dangerous or vicious; or, overturning the determination of the Animal Control Officer.

- d. If the Authority upholds the determination that the dog(s) is/are dangerous dog(s) or vicious dog(s), the classification of the dog(s) shall be the date so determined by the Animal Control Officer.
 - e. The Authority, after determining that euthanasia of the dangerous and vicious dog(s) is/are appropriate based the Authority's consideration of factors set forth below, may order the euthanasia of the dangerous or vicious dog(s) and provide the date by which the euthanasia must occur. The factors the Authority may consider in determining whether to order the euthanasia of the dangerous or vicious dog(s) include the following:
 - i. the dog(s) has/have seriously injured a human or presents a danger to humans and is not suitable for control in accordance with the provisions of this Ordinance;
 - ii. the owner(s) or custodian(s) of the dangerous or vicious dog(s) have/has been convicted of a violation of any State criminal law or County Code violation and the crime was related to such dog;
 - iii. any local government or authority has filed with the Court a civil action requesting euthanasia of the dog;
 - iv. that the dog(s) has/have been previously found, after notice and opportunity for hearing, to have caused a serious injury to a human; provided, however, that no injury before July 1, 2012, shall count for the purposes of this Section.
- 3) The owner(s) and custodian(s) of dog(s) impounded by Pike County during the course of the investigation and appeals/hearings provided herein shall be required to reimburse the County for humane care provided the dog during any impoundment.
- 4) Any dangerous and vicious dog(s) so classified by the Animal Control Officer that have no documented owner or custodian shall not be provided a hearing, and the original determination by the Animal Control Officer shall remain effective. Dogs with no documented owner or custodian that are determined to be dangerous or vicious shall be ordered to be euthanized by the Animal Control Officer after the 10-day quarantine at the Impoundment Facility required for rabies observation. Any dog(s) observed to show clear signs of rabies during the quarantine period may be euthanized quicker than 10 days, based on the interests of public safety. Any dangerous and vicious dog(s) to be euthanized pursuant to this paragraph may either be euthanized at the Impoundment Facility or at a specified veterinarian's office, where the euthanized dog's remains will be tested for rabies. During the quarantine period and prior to euthanization, the Animal Control Officer shall continue to attempt, via various media sites, to locate an owner or custodian of the subject dog(s). If an owner is successfully documented during the quarantine period, then the process set forth above for dog(s) with owner(s) or custodian(s) shall be followed including the provision of proper notice and the opportunity for appeal/hearing of the determination by the Animal Control Officer that the dog(s) is/are dangerous/vicious. It is the responsibility of every dog owner or custodian to properly document their dog as a pet. Per definition, every dog that runs at large and does not have adequate ownership or custodial documentation is a stray.
- 5) Any dog(s) classified prior to July 1, 2012 as a potentially dangerous dog in this State shall also be classified pursuant to this Ordinance. Any dog(s) classified prior

to July 1, 2012 as dangerous dog(s) or vicious dog(s) in this State shall also be so classified pursuant to this Ordinance.

§ 91.10 PROSECUTION OF OWNER(S) OR CUSTODIAN(S) OF DANGEROUS AND VICIOUS DOGS

In addition to, and sometimes contemporaneously with, the administrative process of appealing (requesting a hearing) concerning the classifying of the dog(s) as dangerous or vicious set forth in §§91.08 and 91.09 above, the Animal Control Officer may also issue citation(s) to the owner(s) or custodian(s) for violating the provisions of this Ordinance. The issuance of citation(s) is considered a criminal prosecution, which may result in fines, fees, incarceration, and/or probation.

(A) Dangerous is any dog that:

- (1) Causes a substantial puncture of a person's skin by teeth without causing serious injury; provided, however, that a nip, scratch, or abrasion shall not be sufficient to classify a dog as dangerous under this subparagraph;
- (2) Aggressively attacks in a manner that causes a person to reasonably believe that the dog posed an imminent threat of serious injury to such person or another person although no such injury occurs; provided, however, that the acts of barking, growling, or showing of teeth by a dog shall not be sufficient to classify a dog as dangerous under this subparagraph; or
- (3) While off the owner's property kills a pet animal; provided, however, that this subparagraph shall not apply where the death of such pet animal is caused by a dog that is working or training as a hunting dog, herding dog, or predator control dog.

- (2) If the Animal Control Officer, in their sole discretion based on the facts gathered during the investigation in consideration of the definitions set forth in subparagraph (A) above, determines that a dog constitutes a dangerous dog or vicious dog, the Animal Control Officer may prosecute the owner(s) or custodian(s) by issuing citation(s) for violation(s) of this ordinance and proceedings against the Defendants in Pike County Magistrate Court. Violations of this Ordinance are considered misdemeanors with a maximum fine of \$1,000.00, maximum period of incarceration of sixty (60) days, and a maximum period of probation of six (6) months, less any time spent in jail. Any person who violates Section 91.09 (L) shall be guilty of a misdemeanor of a high and aggravated nature.
- (3) Georgia State law provides that any owner that has a previous conviction for a violation of this Animal Control Ordinance or similar law or ordinance authorized by the applicable provisions of State law, whose classified dog causes serious injury to a human being under circumstances constituting another violation of this Ordinance or State law shall be guilty of a felony, which upon conviction thereof shall be punished by imprisonment for not less than one (1) nor more than ten (10) years, a fine of not less than \$5,000.00 nor more than \$10,000.00 or both. into this Ordinance for the specific purpose of authorizing the Animal Control Officer to contact the Pike County Sheriff's Office and/or the Pike County Superior Court.

- (4) The prosecution of violation of this Ordinance is a distinct process from the administrative process related to the appeal/hearing of the classification of the dog(s) as dangerous or vicious. Regarding the prosecution of violations, after the citation(s) has/have been issued to the owner(s) or custodian(s) of dangerous or vicious dogs, the Animal Control Officer will provide the Magistrate Court of Pike County with the requisite documentation and the matter will be scheduled for an arraignment. If the Defendant(s) enter(s) a plea of not guilty, then the matter will be scheduled for a bench trial concerning the prosecution of the violation(s) shall not be scheduled until after the administrative appeal/hearing concerning the classification of the dog(s).
- (5) If there is any irregularity or deficiency in classification proceedings set forth herein, such irregularity or deficiency shall not necessarily preclude the prosecution of violations.

(Res. Passed 1-28-14) (Am. Ord. passed _____) (Am. Ord. passed 9-13-17) (Am. Ord. passed 12-9-20)

It shall be unlawful for citizens to bring or drop off dogs, or any other types of animals, to the Impoundment Facility without authorization from the Animal Control Officer.

- (B) Only authorized personnel shall be on the premises of the Impoundment Facility.
 - (C) Impounded dogs shall be provided with humane care, including adequate food, water, and shelter during their impoundment period. Impounded dogs shall be securely separated from each other, both physically and visually. The impoundment area shall be an outdoor shelter with a washable, impervious floor.

Dogs with the potential of having rabies, and are not capable of being immediately and adequately quarantined on their owner's property, shall be impounded until such time when the minimum quarantine period and any applicable hearings are concluded. Care provided to such dogs during the impoundment period shall be at the dog owner's expense.
